**General Comments**

11/12/12, Monday, Clear &amp; Cold, 40-51 F

- Today is Veterans Day, ABF work day.
- Continued working on cable band bolt elongation measurement (Data processing) performed on 11/7 & 11/8 last week.
- Checked e-mails & data processing data tables created on last Friday (partial of 34 cable bands).
- The elongation Tables (34 CB & 360 bolts) needed to be processed and give to Bob for plot. Also spreadsheet need to be updated for CB gaps & staus for CAT meeting (on Wednesday).
- At 2 PM, the elongation tables done, and started working on spreadsheet updated.
- Completed updating the spreadsheet and reports sent to related people.
- Informed Bob that the elongation tables were ready, he can process plot by using these tables.
- Roman told me that next week the cable wrapping operation might need my help.
- Printed all the related RFI & Submittals for wrapping operation.
- Left office around 03:45 PM.

OT (H5) 8 hrs today.
